5 support packages from 8ideas

1 INTERNAL INTRODUCTION TO 8IDEAS

A workshop for 2-3 hours linked to an internal kick-off of 8ideas for all the employees in the company. If there are more than 1000 participants, the resource requirements and price are dealt with individually. At the workshop, the employees will have a sufficient introduction to 8ideas. Furthermore, they will work with different, relevant challenges which will partly lead them through the most important functions of 8ideas, partly generate ideas of value for the company.

Price

7.500 DKK excl. VAT, incl. preparation, workshop guidance and reporting of idea catalog, observations and recommendations. Excl. transport costs, if outside the capital area.

2 ½ DAY CHALLENGE KICK-OFF WORKSHOP

Usually, ½ day challenge kick-off workshop is used in connection to the kick-off of a new, important challenge. The workshop is facilitated/lead in collaboration with the challenge owner and typically, 10-20 of the key persons connected to the specific challenge will attend. The purpose of the workshop is to achieve an optimal start of the challenge, test the challenge description and generate the first 20-30 ideas and thereby an active system which additional participants can be invited to.

Typical agenda:

- Introduction by the challenge owner
- Introduction to 8ideas
- Motivation of the challenge
- First stage of idea generation
- Evaluation of the ideas and adjustment of the challenge description if necessary
- Second stage of idea generation incl. comments on ideas
- Evaluation and conclusion

Price

12.000 DKK excl. VAT, incl. preparation and planning meeting. Excl. transport costs, if outside the capital area.

8ideas motivates and accelerates idea development and innovation in your organization by involving employees, customers, networks, experts, etc.

3 PIT STOP MEETING

A short meeting for approx. 2 hours. Typically, the meeting is linked to the transition of one phase to a new: idea development → idea maturation, idea maturation → SWOT, SWOT → decision. Participants will be the challenge owner, facilitator and chosen key persons connected to the specific challenge.

Prior to the Pit Stop meeting, all participants should go through the ideas and comments in the system. The distribution of roles for the meeting should be appointed beforehand.

Price

4,500 DKK excl. VAT and transport, if outside the capital area. Incl. preparation.

4 SKYPE CONSULTATION

Typically, Skype consultations are used if the challenge owner or facilitator requests input from GEMBA regarding a challenge, assessment of content, support to adjusting a challenge description, assessment of momentum, phase shift, preparation of mails to participants, etc.

Price

A voucher for 10 hours of Skype consultation – 10.000 DKK excl. VAT. GEMBA keeps track of the ongoing time consumption.

5 EVALUATION MEETING AND RECAP

2-3 hours meeting in connection to the closing of major challenges, events or projects in 8ideas. Did we succeed and did we achieve the desired results? Was the participation and engagement as expected? Did we find the optimal participant combination? Did we achieve the right momentum? Was the mix between online and offline processes valuable? What could be optimized for the next challenge, event or project process?

Price

6.000 DKK excl. VAT and transport, if outside the capital area. Incl. preparation.
